

IDEAL INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated To JNTUK, Kakinada)

Vidyut Nagar, Kakinada-533003 (A.P.)

4.1.1 The Institution has adequate infrastructure and physical facilities for teaching learning. viz., classrooms, laboratories, computing equipment etc.

Ideal Institute of Technology offers undergraduate programs with excellent infrastructure to support curriculum activities. Spread over 2.88 acres, the campus includes 20 classrooms, 4 tutorials, 2 e-classrooms, 42 laboratories, 2 drawing halls, a central library, 2 seminar halls, and an auditorium. The institution follows JNTUK and AICTE norms, ensuring all facilities meet regulatory standards. Classrooms, seminar halls are equipped with projectors, and the entire campus has Wi-Fi.

Laboratories are updated with modern equipment and have manuals for experiments. The institution also features exclusive engineering workshops and drawing halls, along with safety measures in place. A language lab is available to enhance communication skills, and each department has computer labs with necessary software.

The central library, open from 9 AM to 6 PM, offers extensive collections of textbooks, journals, and NPTEL resources. The digital library provides access to e-journals and online books. All departments have LCD projectors, separate cubicles for faculty, and a dedicated HoD room. Additionally, seminar halls, a conference hall, and an open stage are available for various events. Backup power through a generator and UPS ensures uninterrupted operations.
