(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

VIDYUT NAGAR, KAKINADA - 533003. (A.P.)

**4.1.1 The Institution has adequate infrastructure and physical facilities for teaching learning. viz., classrooms, laboratories, computing equipment etc.**

Ideal Institute of Technology provides comprehensive undergraduate programs supported by state-of-the-art infrastructure. The 2.88-acre campus is equipped with 20 classrooms, 4 tutorial rooms, 2 e-classrooms, 42 laboratories, 2 drawing halls, a central library, 2 seminar halls, and an auditorium, all designed to meet JNTUK and AICTE standards.

The campus features Wi-Fi connectivity and classrooms and seminar halls are equipped with projectors to enhance teaching and learning experiences. Laboratories are furnished with modern equipment and detailed manuals, while exclusive engineering workshops and drawing halls ensure practical learning. A language lab is available to improve communication skills, and each department has dedicated computer labs with requisite software.

The central library, operational from 9 AM to 6 PM, houses a vast collection of textbooks, journals, and NPTEL resources. The digital library provides access to e-journals and online books. Departments are equipped with LCD projectors, dedicated HoD rooms, and individual faculty cubicles. Facilities for events include seminar halls, a conference hall, and an open stage.

Backup power through generators and UPS ensures uninterrupted campus operations, making the institution a well-equipped hub for academic and extracurricular excellence.
