NAME OF THE PROGRAM: REPORT ON WOMEN'S DAY

The theme for International Women's Day 2019, which took place on 8th March, is **"Think equal, build smart, innovate for change"**.

The theme will focus on innovative ways in which we can advance gender equality and the empowerment of women, particularly in the areas of social protection systems, access to public services and sustainable infrastructure.

International Women's Day is a celebration of womanhood and acknowledgment of their contribution to the social, political, cultural and economic achievement of a nation. The celebration of womanhood cannot be confined to just a day. However, to push for women's rights, International Women's Day is celebrated across the globe.

Women are suffering on many fronts. For example, though we are in 2019, gender disparity still prevails in society. World Economic Forum said the gender gap won't be bridged until 2186.

A 2017 report stated that global equality gap between men and women won't vanish before 100 years. It also brought attention to the pay gap. The report claimed that in 2017, women worked "for free" for almost 51 days of the year because of the gender pay gap.

2017 was also the year when MeToo campaign gained worldwide popularity when women across the world openly spoke about sexual harassment and abuses they have faced. Even TIME magazine named these women- 'The Silence Breakers', their Person of the Year. However, in India, it was 2018 when MeToo movement became widespread with women calling out their sexual predators openly on social networking sites.

NAME OF THE PROGRAMME: NATIONAL YOUTH DAY

National Youth Day was celebrated by the Ideal Institute of Technology, Kakinada on 12-01-2018. The theme of this program was about the achievements of Legendary Leader Swami Vivekananda.

To celebrate the occasion of National Youth Day a talk was held in the college seminar hall which was very well attended by all the teachers and students of the college.

On this occasion Dr.T. Srikanth, Principal of Ideal Institute of Technology invited our beloved Dr. P.Chiranjeevini Kumari, Secretary and Correspondent to speak on 'Value Education and Success in Life'.

Beginning her talk with a prayer she discussed with students the meaning of real success which is attained only when we do something meaningful in our lives and derive pleasure from our deeds and not just money.

In this context she also talked about social entrepreneurship and gave several examples as well. Her talk was filled with interesting stories from mythological books and teachings of hindu scriptures. She also spoke on the vision of Swami Vivekananda and how the students, the present youth of the country contribute towards nation building. She also spoke on the present status of education system and stressed that only focussed youth who have good character, enlightenment and strong will can bring desirable changes in the society.

The focus of the education should be to encourage such scientific innovations which can actually solve the problems of human beings.

At the end session some other students also expressed their views on the teachings of Swami Vivekananda and he being the ideal role model for the youth of the country.

From Dakshinayana as the sun is shifting to the north, it is time to harvest. If we want to harvest, first we have to cut down the crop.

The Pongal festival is the time we are supposed to burn all the old baggage, Whatever opinions, ideas, and conclusions we may have anything that is negative & useless, Now is the time to drop them off and, Flower into a beautiful being,

It is the time for everyone to allow a fresh start; all the girl students enthusiastically participated in their favourite Rangoli Competition, indulging in coloring their beautiful designs.

Kite flying competition is one of the most awaited activities. We not just fly kites but also decorate them with eco-friendly waste materials. Also, plastic kites not permitted in to the campus, kite flying activity will happen on the college ground.

We used eco-friendly materials to create and decorate the kites. Plastic kites are strictly prohibited in the campus. Every student enjoyed a lot during this activity which was conducted in the college ground.

NAME OF THE PROGRAM: NATIONAL SPORTS DAY REPORT

National Sports Day is celebrated on 29th of August every year. It marks the birth anniversary of Hockey Legend, Major Dhyan Chand, who is regarded as the greatest Hockey player of all times.

To mark the significance of National Sports Day, Ideal Institute of Technology, Kakinada virtually organised several activities to inculcate the feeling of true sportsmanship among the students and to enhance their physical and social skills. Students of all years participated in various sports activities such as Volley ball, Cricket and Throw Ball for girls and yoga with great enthusiasm and zeal. Games for girls were a lot of fun while playing. The students had fun while indulging in sports activities.

Sports and games offer students a change from the monotony of daily life. They are also a useful means of entertainment and physical activity for them.

NAME OF THE PROGRAM: FRESHER'S PARTY

The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors bond and unite to celebrate being part of the college. Students of First Year were welcomed with red rose to this party which was organized by Seniors.

Fresher's along with their seniors got chance to showcase their talent by a stunning Ramp walk, various Dance performances like solo, Duo, Group dances. Later small games were organized to make the function more fun.

There was a tough competition among the fresher's and they all were amazing

Events started with solo singing performances by some of the best singers of second year. After this all the other participants came up with their unique ramp walk. There were about 15 participants including 7 girls and 8 boys. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way.

Later on the Fun team lead by senior students attracted everyone in their funny way and it was like adding a cherry to the pie. Also, the anchors went up to the audience and asked them random questions which any one could answer. All of them enjoyed a lot.
