STUDENT ATTRIBUTES FACILITATED BY THE INSTITUTION

Ideal Institute of Technology believes in imparting education that translates to humanistic outreach to build better communities and socially conscious citizens. From the motto of our college to its mission, vision, curriculum, all the co-curricular and extra-curricular activities facilitate in building these attributes.

The motto of our institution విద్యా దర్శ: విశ్వశ్రేయ (The goal of education is the universal welfare) is to impart quality education to the students, forge them professionally competitive to achieve their career goals and make them strive to work for universal welfare. The vision of our college is dedicated to holistic education facilities in building attributes requisite for future leaders who will demonstrate innovation in their competencies, integration in their personal lives and inclusion in their social contribution. Be it lectures, discussions in the classrooms, assignments, projects, and innovative means of evaluation of all these facilitate our students to think critically, independently and creatively. It helps them to connect studies with contemporary industry developments and applications.

Core values of NAAC and the college are facilitated as well as social sensitivity and Entrepreneurship, in the following ways:

- Students are facilitated into becoming strong and independent with a deep sense of loyalty and commitment to nation building.
- Through our education students are guided to enroll overseas for Higher education; and our alumni occupy eminent positions globally.
- The values of respect, honesty, service to society, tolerance for all religions are woven into the fabric of our institution.
- There is constant up gradation of ICT in the college, facilitating all systems relating to students in the college namely teaching, learning, examinations, administration, financial transactions.
- Social sensitivity is aided by encouraging students to participate in the numerous extension activities. These extension activities emerge from the core principles of service in the college (manifest in the vision, mission, goals and emblem) and are conducted through NSS, Linkages with government institutions, NGOs, schools, hospitals in and around Kakinada.

- Entrepreneurship of students is facilitated through Entrepreneurship Training and Skill-Based Education that emerges through the planning and conducting of the curriculum and extra-curricular activities.
- We believe in constant improvement, hence Excellence is a prevailing attitude at Ideal Institute of Technology.
