CAMPUS FACILITIES AND MAINTENANCE COMMITTEE (CFMC)

About the Committee:

This committee is responsible for developing and implementing strategies for the effective maintenance of the institute's infrastructure and other related facilities. The committee ensures that annual building and other maintenance requirements are satisfied. Identification and planning of preventative maintenance needs is also an important one.

Objectives:

- To ensure proper maintenance of physical property and facilities in the campus
- Ordinary preventive maintenance
- Long range plans for repairs/replacement of equipment
- Regular review of the conditions of infrastructure and other facilities.

Roles and Responsibilities:

- Develop a plan to respond quickly and appropriately to maintenance emergencies
- Co-ordinate maintenance work with concerned staff
- To regularly review the condition of the campus building, ground, utilities and other infrastructure to ensure their adequacy
- To bring to the notice of authority on any irregularities in the conditions of the infrastructure and facilities
- Always ensure cleanliness and neatness inside the campus.
