RESEARCH & DEVELOPMENT COMMITTEE

Constitution of R & D Committee:

The R & D committee comprises of faculty members from various departments in the Institution. This committee oversees the smooth and efficient co-ordination of research and development activities in the Institution, thus nurturing overall growth. The members will contribute towards enhancing research and development in this Institution.

Objectives:

- To create zeal amongst students and faculty members towards research and innovation.
- To work closely with the industrial needs that eventually will result in new or improved products, processes, systems or services that can increase the company's productivity.
- To foster collaborations for mutual benefits and to maximize industrial connectivity.
- To establish collaboration with other universities, public and private sectors and identify R&D projects including consultancy services which could be undertaken at the institution.
- To ensure smooth functioning and effective management of R&D at the institution.
- Motivating faculties and students to publish their papers in referred journals.
- Signing of MOU with industries and institutes for projects and training.
- Promoting Institute –Industry Instruction.
- Ensuring quality research through standards.

Vision

To emerge as a Research and Development Centre providing a logical platform for the expression of the innovative and significant instincts of the individuals while sharpening the faculties by exposing them to several current trends in the industries and academic institution.

Mission

- To motivate and train the students and faculty in progressive creative thinking leading to the preparation of paper Publications of quality standard.
- To provide information, training and support to the faculty and students to contribute to National, International Technical Symposiums and Research Journals.
- To identify and establish an interactive Industry-Institute initiative and to offer professional services and support to identified industries.
- To promote a general ambience of research and application in all core subjects and to encourage the faculty to pursue research.
